We also did a **face-to-face Meeting in Valencia** the 11th and 12th of May, and a **Training Week in Poland** from the 24th to the 28th of April.

## WHAT ARE WE CURRENTLY DEVELOPING?

**R4: InC Innovation Challenge** - moving from online learning to learning-by-doing in a real business environment - practical challenges for SME managers to implement in their day-to-day professional activities

**R5: InC Online Platform** - The online platform will be the ICT tool - the project interface required to provide the produced results to the users in a highly integrated way required to reach the project objectives.

## WHAT IS COMING NEXT?
